BRONZE PRICE LIST (US)
(Effective April 1st, 2007)

IMPORTANT ORDERING INFORMATION

- Remember to order the same size number for both the frame and the portrait; for example, #1 portrait = #1 frame;
- Appliqués are available in bronze finish only;
- Frames are available with conventional fasteners or with the **3M VHB** tape fastening system. In both cases, it is important that a regular portrait be ordered, along with its corresponding frame. Please refer to the following example:

P3 + BC3 = #3 portrait with a #3 bronze covered frame **and conventional fasteners**;

P3 + BC3T = #3 portrait with a #3 bronze covered frame **and tape**;

Whenever a frame is ordered with the tape fastening system, a special primer is supplied at no extra cost.
